DISPOSABLES & RE-USABLES

Product Catalogue by ARCPLAST Factory

www.zebradisposables.com
ISTANBUL / TURKEY

ARCPLAST PLASTIC SAN. A.S. is a leading manufacturer of disposable plastic products in Turkey. Our factory, based in Istanbul utilises modern technologically improved machinery, allowing us to be a member of the 'Disposable Tablewear Sector' for many years during which we have supplied to leading chain stores , cash and carries, wholesalers with a large variety of our products.

Under our brand 'Zebra Disposables' we have based our company policy on providing our customers with a fast paced response to our consumers changing demands.

We pride ourselves on being fast and flexible and believe that this is the reason we have been able to fulfil the demands of our customers all over the world..

Our products range from PS & PP plastic cutlery, cutlery kits, plates, sauce cups, microwaveable food containers, shot cups, tumblers, wine glasses, shot glasses and others all of which can be also be produced in retail packaging option with PRIVATE BRANDS of our customers.

We are able to offer mixed containers of goods, which gives our customers the flexibility of working mix containers of different items with best quality at a great price and all from one manufacturer with the added advantage of being based in Turkey, which reduces freight time, allowing us to provide a much better and quicker service.

We welcome customers to come and visit our factory and to meet our friendly staff who will provide you with a professional and qualified service.
